RESPONSE TO THE SECOND OFFICE ACTION

In response to the Second Office Action mailed from the Patent Office on December 30, 2004, Applicants submit a terminal disclaimer and the following remarks.

Claims 1, 3-18, and 20-26 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-17 of U.S. Patent No. 6,788,095. In response, Applicants submit herewith a terminal disclaimer for the present invention with respect to the cited patent. Therefore, Applicants respectfully request withdrawal of the rejection and allowance of claims 1, 3-18, and 20-26.

Reconsideration and a notice of allowance are respectfully requested in view of the remarks presented above. If the Examiner has any questions or concerns, a telephone call to the undersigned is invited.

Respectfully submitted,
